Remarks

Claims 25 and 42 have been amended to include language that the configured product is not being offered for sale, as set forth in the PTOL-413 Interview Summary of the Examiner Interview conducted November 27, 2007 at the U.S. Patent and Trademark Office to obtain allowance of Claims 25 and 42, and their respective dependent Claims 26-29, 40 and 43-46. Accordingly, a Notice of Allowance is respectfully requested.

A typographical error occurred in a sentence on page 6, lines 4-5, of the Amendment filed May 8, 2007, and was identified on page 7, item 10, of the Office Action dated August 10, 2007 as presenting a position not espoused by Applicant (as evident by arguments made in the Amendment). Such sentence should have read: "Moreover to state that a vehicle configured is a hypothetical product would be antithetical to the express teachings of Cansler".

A petition for a one-month extension of time is enclosed with a request to charge the requisite petition fee to a deposit account.

Respectfully submitted,

Kenneth J. LuKacher
